

KROESE  
EXCLUSIEVE VERPAKKINGEN

## HET ONTSTAAN VAN KROESE EXCLUSIEF, WIE WIJ ZIJN EN WAT WE DOEN

### TOEN

Kroese Exclusieve Verpakkingen b.v. is begonnen in 1961 in een kleine garageruimte, naast het woonhuis van mijn ouders, gesitueerd in een rustig klein plaatsje 'Heeze' genaamd. Gerard Kroese en zijn vrouw Rietje, een creatieve hand en geest, begonnen hun verpakkingsideeën en decoraties te verkopen aan de kontakten welke Gerard had opgedaan gedurende zijn periode als vertegenwoordiger in de markt van chocolade. In de jaren die hierop volgde, waren hun enthousiasme, creativiteit, decoratieve combinaties en concepten, de basiselementen welke hun leidden naar een enorme groei en nationaal succes. Een naam was gevestigd.

Vandaag de dag leid ik de onderneming, omringd door een team van creatieve en moderne mensen. In vergelijking met vroeger, is ons werkterrein ver uitgebreid tot in Europa en zelfs ver daar buiten. Onze activiteiten omvatten vandaag de dag het zelfstandig ontwerpen, fabriceren en bedrukken van mooie verpakkingen met behulp van geavanceerde machines. Daarbij komt nog dat Kroese exclusieve verpakkingen een breed gamma heeft van decoratieve artikelen welke te maken hebben met de seizoenen voorjaar, Pasen, zomer, najaar, herfst, Kerst en winter. Om het geheel 'een gezicht te geven' ligt onze kracht in het combineren van verschillende artikelen in een passende sfeer. En dit resulteert in een effect op uitstraling en verkoop wat u uiteindelijk wilt bereiken. Elk jaar in januari presenteren wij onze nieuwe collectie in de 3 showrooms hier in Heeze. Een hoogtepunt in het jaar.

Onze reputatie is gekend om:  
Kwaliteit - Ontwerp - Innovatie Flexibiliteit - Snelheid  
Vriendelijke omgang - Correcte leveringen  
Vaak nieuwe producten - Redelijke prijzen

## THE STORY OF KROESE EXCLUSIEF AND HOW WE CLIMBED THE MOUNTAIN

### THEN

Kroese Exclusieve Verpakkingen b.v. started in 1961 in a small workshop next to the home of my parents in a quiet but nice neighborhood of Heeze, the Netherlands. Gerard Kroese and his wife Rietje, a creative hand and mind, began to supply their packaging ideas to the dutch contacts Gerard had obtained during his time as a salesman in the chocolate business. In those following years, their enthusiasm, creativity and decorative ideas and concepts were leading them to an enormous growth and a great succes. A name was established.

Today, I am leading the company with a team of creative and modern people around me. In comparison with the early days, our workingfield has spread from the Netherlands to even many overseas countries. Manufacturing boxes of carton, making pvc lids and being able to print both of them has become part our activities. With modern machinery and printing equipment, we are able to meet many requirements for special demands. Apart from this part of the company, we supply all kinds of decorative items which often have to do something with seasons like easter, christmas, autumn, spring, summer and winter. And bringing this all together in the right combinations gives a tremendous boost in looks, force and sales. All for you, our clients. Each year, the new collection is being presented in our 3 showrooms where amazing new combinations and a large selection of articles is presented. A highlight of the new year.

Our reputations stands for :  
Quality - Design - Innovation - Flexibility - Speed  
Friendly approach - Correct deliveries - Often new articles  
Reasonable prices

## DIE GESCHICHTE VON KROESE EXCLUSIEF UND WIE WIR DEN GIPFEL ERREICHTEN

### DAMALS

Es begann 1961 in Heeze, in den Niederlanden - ein kleiner, ruhiger Ort nicht weit von Eindhoven entfernt. In einer kleinen Werkstatt neben dem Haus meiner Eltern haben zwei kreative Menschen ihre Aufgabe gefunden. Gerard Kroese und seine Frau Rietje, die ein wunderbares Gefühl für Form, Farbe und Gestaltung hatte, begannen die Kontakte, die Gerard während seiner Zeit als Vertreter eines Schokoladenherstellers erworben hatte, mit ihren Verpackungsideen zu beliefern. In den folgenden Jahren führten ihr Einsatz, ihre Arbeitsfreude und ihre kreative Formgebung zu weiteren Erfolgen und einer Zunahme des Umsatzes. Ein guter Name setzte sich durch.

Heute leite ich die Firma - zusammen mit einem Team von kreativen und modernen Menschen um mich herum. Inzwischen hat unser Absatzgebiet sich in viele europäische und außereuropäische Länder ausgedehnt. Das Herstellen von Verpackungen aus Karton, Deckeln und Schachteln aus PVC und das Bedrucken derselben sind unsere Spezialität. Mit modernen Maschinen zur Anfertigung und Bedruckung können wir viele Ihrer Wünsche realisieren. Was uns auszeichnet, ist ein kontinuierlich wachsendes, vielfältiges Sortiment mit einer Mischung aus Traditionellem und Modisch-Aktuellem. Zusätzlich bieten wir Ihnen viele dekorative Ideen zu verschiedenen Themenbereichen wie Ostern, Frühling, Sommer, Herbst und Weihnachten.
